Dear All,

NYK Energy Ocean Corporation

New chemical and oil tanker the Golden Thetis Delivered

Our company (Headquarters: Yokohama-City, President: Koichi Chikaraishi) announced that on 31st July, the Golden Thetis, a new building chemical and oil tanker, was delivered at Asakawa Shipbuilding Co., Ltd. (President: Takehiro Asaumi; Headquarters: Imabari, Ehime). The Golden Thetis will sail under a time charter contract with our customer under a long-term charter by NEO from TRADEWIND NAVIGATION S.A. c/o Murakami Sekiyu Co., Ltd. (President: Hirofumi Murakami; Headquarters: Imabari, Ehime).

“THETIS” comes from Thetis, the goddess of the sea who provided salvation and protection to the gods in Greek mythology.
